ORDER
(DATE OF HEARING: 29.04.2025)

1. The Petitioner is a company registered under the Companies Act 1956 having two units (Unit-1 and Unit-2) which are situated at a distance of 1.7 Kms. from each other.
2. It has been submitted that the Petitioner had filed a Petition No. 1975 of 2023 before the Commission under Clause 4.46(a) of the U.P. Electricity Supply Code, 2005, seeking an exemption from the prohibition mandated in the said provision and also a direction to the Respondents to allow the Petitioner to supply electricity from Unit-1 to Unit-2. The Commission, vide its Order dated 15.09.2023, had allowed the petition. It is further submitted that after the Order dated 15.09.2023 passed in Petition no. 1975 of 2023, the Petitioner had got the sanctioned load of unit-1 increased from 3500 KVA to 4400 KVA. At the time of increasing this load the Petitioner had submitted a B&L form providing details of the machineries to be used in Unit-2.
3. It has also been submitted by the Petitioner that after few days of the commencement of electricity supply from unit 1 to unit 2, a letter dated 26.02.2024 was issued by S.D.O, Hapur objecting to the use of electricity, supplied from Unit-1 to the biotech division which, according to the Petitioner, is a part of Unit-2 and directed the Petitioner to clarify its position. The Petitioner has submitted to have clarified its position vide letter dated 29.02.2024, which has not been considered satisfactory by the department.
4. It is further submitted that due to the objection raised by SDO Hapur, the Petitioner has been unable to use the power of 33 kV line in its Biotech division located in unit-2. Therefore, in order to meet its day to day requirement, Petitioner has taken a new 50kW connection.
5. It has been prayed to direct the Respondents to allow the Petitioner to use the electricity supplied from Unit-1 to Unit-2 in its biotechnology division also, which is

part of Unit-2. Petitioner has also submitted that the Respondents will not suffer any loss of revenue if this Petition is allowed and further the Petitioner is also ready to get the load of unit -1 increased by 50 kW in lieu of surrendering the 50 KW load taken for biotechnology division.

6. The Commission admits the Petition and directs the Petitioner to provide a copy of the Petition to the Respondents. The Commission grants four weeks' time to the Respondents to make submission and two weeks thereafter to the Petitioner to file the rejoinder.
7. List the matter for next hearing on 10.06.2025.
