3. Shri M. G. Ramchandran, Sr. Advocate, NPCL
4. Shri Vishal Gupta, Advocate, NPCL
5. Shri Alok Sharma, Manager - Legal
6. Shri A. K. Arora, Resident Manager, NPCL.

ORDER

(Hearing on 04.06.2015)

Noida Power Company Ltd. has filed petition in the matter of **petition no. 987 of 2014** for denial / delay by Uttar Pradesh Power Transmission Corporation Ltd. (UPPTCL) in handing over the physical possession of the 220 kV R. C. Green Substation at Greater Noida to Noida Power Company Ltd. (NPCL)

The Commission finds that Noida Power Company Ltd. is a Joint Venture Company between Greater Noida Industrial Development Authority (GNIDA) and RPG Group, and is a Distribution Licensee in the area of Greater Noida. UPPTCL constructed 220 KV RC Green substation on the request of GNIDA on payment basis. NPCL in turn paid total cost of this project (land cost + cost of constructed 220 KV RC Green substation) to GNIDA.

The Commission observes that the GNIDA is a shareholder in NPCL and is responsible for the overall development of Greater Noida area and paid the total cost of constructions of this substation to UPPTCL and annual maintenance charges to UPPTCL. Therefore it is pertinent to seek reply of GNIDA over the dispute between Noida Power Company Ltd. & Uttar Pradesh Power Transmission Corporation Ltd. and others.

The Commission directs Greater Noida Industrial Development Authority U/s of 94 Electricity Act, 2003 to submit its reply on affidavit within fifteen days on the issue of whether M/s NPCL should be handed over the physical possession of 220 KV RC Green substation by UPPTCL or not?

Case be put up after receipt of written reply of GNIDA.
