ORDER
(Hearing on 23.9.2015)

Noida Power Company Ltd. has filed **petition No. 1020 of 2015** in the matter of Denial /Delay by Uttar Pradesh Power Transmission Corporation Ltd. (UPPTCL) in granting connectivity to the 220 kV Gharbara Substation of Noida Power Company Ltd. (NPCL) from 400 kV Greater Noida (Pali) Substation of UPPTCL.

The Commission finds that Noida Power Company Ltd. is a Joint Venture Company between Greater Noida Industrial Development Authority (GNIDA) and RPG Group, and is a Distribution Licensee in the area of Greater Noida. The land for the Gharbara Substation has been allotted to NPCL by Greater Noida Industrial Development Authority.

The Commission observes that the GNIDA is a shareholder in NPCL and is responsible for the overall development of Greater Noida area therefore it is pertinent to seek reply of GNIDA over the dispute between Noida Power Company Ltd. & Uttar Pradesh Power Transmission Corporation Ltd. and others.

The Commission directs Greater Noida Industrial Development Authority to submit its reply on affidavit within fifteen days on the issue of ownership of this substation and whether M/s NPCL should be granted connectivity by UPPTCL?

The next date of the hearing will be intimated by a separate notice.
