## Order

(Date of Hearing 02.07.2014)

1. The petition has been filed for extension of applicability of provisional tariff approved for FY 2013-14 in case of 2 x 45 MW five nos. power stations for FY 2014-15.
2. Since the Commission has already made a Suo-motu order for extended applicability of UPERC (Terms and Conditions of Generation Tariff) Regulations, 2009 on 30.5.2014 which also covers the tariff during this period on provisional basis subject to the adjustment with interest, the Commission finds that no further order is required in this case.
3. The petition is disposed of.
