**In the Presence of**

**ORDER**  
**(Date of hearing: 25.04.2018)**

1. M/s DSCL has installed 6 MW spent wash + Bagasse based power plant at Hriawan Distt. Hardoi and has entered into a PPA on 19.02.2018 to sell 3 MW power from this capacity to the petitioner, UPPCL, for a period of 10 years at fixed tariff equivalent to APPC of FY 2017-18 and no deduction towards transmission line shall be applicable on this power. There is no late payment security mechanism and no late payment surcharge for delay in payment up to 6 months provided in the PPA. As per submitted PPA the plant was supposed to become operational in FY 2017-18. UPPCL has filed the instant petition for seeking approval of afore-mentioned PPA .

2. The aforesaid power shall be transmitted through existing transmission line and any modification if required shall be carried out at the expenses of the generator. Further, since power from plants commissioned in different years shall be transmitted through same transmission line thus weighted average rate of contracted capacity of the plant commissioned in different years will be applicable as per clause(31)(1) of CRE Regulations, 2014.
