**ORDER**  
**(Date of hearing: 25.04.2018)**

1. The petitioner has PPA dated 22.08.2007 with UPPCL for selling 6.5 MW from its 8 MW co-gen facility at Khaikheri, Distt. Muzaffarnagar commissioned in December 2006. As per PPA the generator was supposed to add 15 MW capacity by November 2007 and remove old 8 MW capacity but for the period when both old and new capacities were in operation, tariff was to be paid on weighted

---

average basis, as the transmission of power was supposed to take place through same transmission line.

2. The Petitioner has submitted copy of a certificate given by Executive Engineer EUDD-II Muzaffarnagar that 15 MW plant was commissioned on 15.03.2008 and since 17.02.2009 the power is being supplied from this plant . The other plant with 8 MW unit was decommissioned on 05.08.2008 . Thus, the entire quantum of power is being supplied from 15 MW plant only but the payment is still being done on weighted average basis considering both 8 MW and 15 MW plants. The petitioner is seeking tariff applicable for 15 MW plant, as per terms agreed in PPA.

3. UPPCL sought 15 days' time to make submissions in the matter which was granted by the Commission

4. The next hearing in the matter shall be fixed subsequent to above submissions.
