ORDER

(Hearing on 27.06.2016)

During the hearing on 27.6.2016 Shri A.S. Rakhra appearing on behalf of PVVNL submitted that the investigating authority in its report has submitted that the Transmission wing did not provide MRI of the meters installed on sub station from where the supply to Parmarath Iron was being made. He further requested the Commission to direct the Chief Engineer (Transmission West) to present the MRI before the Commission.

The Commission vide order dated 15.6.2016 directed Chief Engineer (Transmission West), Meerut to appear before the Commission along with the MRI; failing which it shall be construed that they have nothing to say in this matter and Commission may pass the consequential order accordingly.

During the hearing on 27.6.2016, neither the Chief Engineer (Transmission West) presented himself on the appropriate date fixed for appearance nor the counsel has appeared on applicant's behalf, Moreover, any application for exemption from non appearance has also not been placed before the Commission. Therefore the Commission expresses its extreme displeasure on non appearance of Chief Engineer (Transmission West).

The Commission again directs Chief Engineer (Transmission West), Meerut to appear before it along with the MRI failing which not only ex parte decision will be taken in the matter. Chief Engineer (Transmission) Meerut will have to take the consequences of disobeying Commission's orders. .
