Chairman UPPCL has filed an affidavit dated 28<sup>th</sup> March, 2006 requesting the Commission that the scheme of OTS may be allowed to cover outstanding upto Rs. 1,00,000 in place of Rs. 50,000 as existing in the approved scheme. The same is hereby allowed with the direction that the said enhancement in amount should be vigorously advertised so that the benefit is not restricted to a few enlightened consumers as the proposal is being approved just three days before the closure of scheme. Licensees are also directed to furnish a list of consumers, category wise, who avail the benefit of the enhanced amount in the scheme, latest by 15<sup>th</sup> May 2006.

In view of a clarification sought by MD, PVVNL, the Commission also allows that the said scheme would also cover even those consumers, whose outstandings are restricted to Rs. one lakh after adjusting any payment made by them against the arrears in the financial year 2005-06. The said approval shall apply to all the five Discoms as mentioned above.
