ORDER

(DATE OF HEARING: 13.10.2026)

1. Sh. Divyanshu Bhatt, Learned Counsel appeared on behalf of UPPCL, submitted that, in compliance with the Commission's Order dated 22.07.2026, a reply detailing the criteria adopted for the selection of Varanasi, Noida and Kanpur for implementation of SCADA has been filed. He further submitted that, pursuant to the 30-day pilot exercise, UPPCL has prepared and finalized DISCOM-wise scheduling data for each 15-minute time block based on AMR data and has furnished the same to UPSLDC for computation of DSM. He stated that the DSM calculations are awaited from UPSLDC and are necessary for

carrying out a conclusive assessment of the impact of DSM. Accordingly, he sought six weeks' time to hold internal discussions with UPSLDC and place the outcome on record.

2. The Commission observed that UPPTCL was also directed vide Order dated 22.07.2026 to submit the status of RTU installation; however, no reply had been filed in this regard. In response, Md. Altaf Mansoor, Learned Counsel appeared on behalf of UPPTCL, submitted that out of the first lot of 30 RTUs, installation of 27 RTUs has been completed, while the remaining 3 RTUs are expected to be installed by the end of October 2026. He further submitted that the second lot comprising 70 RTUs was allotted to substations in March 2026, out of which 29 RTUs have been commissioned and are transmitting live data, whereas installation of the remaining 41 RTUs is under progress and is expected to be completed by November 2026. Upon being queried by the Commission regarding the delay in installation, he submitted that the delay was primarily attributable to delayed supply of control cables and non-availability of shutdowns during the peak season. He further informed that the balance 35 RTUs have not yet been allotted. The Commission expressed its displeasure over the slow pace of RTU installation and commissioning.

3. After considering the submissions made by the parties, the Commission directs UPSLDC to file the DSM calculations and further directs UPPTCL to submit the latest progress report regarding RTU commissioning within six weeks positively from the date of this Order.

4. The matter is listed for next hearing on 17.12.2026.
